

Questions to council meeting 25/3/14

Question 1

In reference to the Barwon Heads Traffic and Parking study 2010, which is now well out of date, what is the council planning for a review of these pressing issues in Barwon Heads?

When did the Council last conduct traffic and parking counts or surveys and when will this data be released in comparison to prior counts? When was the last time parking restrictions in Barwon Heads was enforced?

Answer: The council is currently conducting a review and will make this information available to all stakeholders in due course.

Question 2

Given the State Government has directed the CoGG to abandon its councilor discretionary funding for community grants what process will replace it? When will the public be informed of this process and how will equity and transparency be ensured?

Answer: The Council seemed confident that current processes were appropriate. The budget process will be open and transparent and will be open to public view when the budget comes down in May.

Question 3

What is the status of the Barwon Heads Walkability survey? Has this been published?

Answer: The BH Walkability Survey is published on the CoGG website as Barwon Heads Walks.
